

Lake Mary
Preparatory School

Lake Mary Preparatory School.

LOCATION

Green Lake High School is located in the scenic resort town of Green Lake in central Wisconsin. This charming small town is extremely safe and is the perfect location for students wanting to experience an American high school in a friendly and caring atmosphere.

The town experiences 4 distinct seasons which offers numerous opportunities for outdoor recreational activities including world-class boating, skiing (both water and snow), hiking, biking, and fishing. The college town of Madison and major city of Milwaukee are a short drive away offering many entertainment and dining options.

CURRICULUM

Lake Mary Preparatory School is part of the Meritas Family of Schools which offers many advantages but one of the most important is that students have the precious opportunity of having their own personalized learning plans. Faculty use a whole child approach that promotes intellectual, emotional and social growth, while emphasizing problem solving, critical thinking and higher-order reasoning. This approach engages students in their own development and encourages them to take ownership of their decisions and actions.

The school offers several academic levels including Honors, Pre-Advanced Placement and Advanced Placement courses. For all students faculty members cultivate higher-order and critical-thinking skills across the curriculum. Lake Mary annually sends the majority of its graduates to prestigious colleges and universities.

ABOUT

The Lake Mary Preparatory is a proud member of the Meritas Family of Schools. The school is committed in instilling the values of virtue, knowledge and unity into their students. They have a multiethnic and multicultural student body that come together to achieve their common goal of academic success.

The school offers numerous sports teams that the students can take part in such as baseball, golf, swimming, and tennis. They can also take advantage of the school's many extracurricular programs including music club, Model United Nations, and the National Honor Society
