

Lyndon Institute | Chartered 1867

## ABOUT

The Lyndon Institute is a co-ed private high school located in the beautiful and scenic northeast portion of Vermont. They offer both day classes for local residents and boarding facilities for international students.

The school has three different campuses; The Darling Campus which contains the main building, football field, classrooms, auditorium, performing arts space a track and field complex and much more. The Harris Campus holds the schools auxiliary gymnasium, residence halls, weight training centers and more. The Vail Campus hosts the schools technical education buildings, more dormitories, arts complex and more. The school has an abundance of extracurricular and sporting activities the students can take advantage of.

## LOCATION

Nestled between tree-filled mountains, Lyndon Institute is surrounded by beautiful scenery. The provides a quiet and safe location with a traditional small town atmosphere.

The nearby city of Lyndon Center offers many cultural activities for students and the natural setting along with 4 distinct seasons offer a wealth of recreational activities to enjoy including skiing, canoeing, hiking and bicycling

## CURRICULUM

Lyndon Institute offers a rigorous college preparatory curriculum to prepare their students for the best Universities. They offer ESL classes for their international students to get them off to the best possible start in a new country. The Institutes provides the students with iPads in the classroom and parallels their curriculum according to the standards set by the National Educational Technology Standards for Students. The Institute prides itself on providing a challenging and rewarding curriculum for their students.

Graduates of Lyndon have been accepted to a number of Universities including, George Washington University, Grand Canyon University, Massachusetts College of Art and Design, Northeastern University and the New York Film Academy to name only a few.
