

Pasadena, California | Founded in 1965

ABOUT

Maranatha High School is full of rich tradition including timeless core values. While anchored in our historic foundations, we embody a program that is alive with energy, situated on a stunning, collegiate campus, and looking to the future.

Today's students need to be fully prepared to adapt to the changing landscape of this global community. At Maranatha, we recognize this critical task to prepare our students in partnership with our parents. Maranatha offers a transformational education model with an exceptional educational program that truly transforms not only minds but also hearts, as it prepares students for living lives of purpose and distinction.

LOCATION

Every year, new students comment on how welcomed they feel at Maranatha, and what a loving community this is. Maranatha faculty and staff are highly relational and involved in all areas of student life. Maranatha is a welcoming place, because we truly do love each other and want to know every student.

Maranatha recognizes the need for students to develop as whole persons. Because of this recognition, we purposefully offer a wide selection of opportunities and activities to allow students to connect, find their niche, and develop leadership skills. We strive to encourage the interpersonal growth of our students through student activities, clubs, and other social opportunities.

CURRICULUM

Maranatha High School promotes a rigorous academic curriculum for high school students who are committed to the challenges of a college preparatory program. With over 100 courses offered in nine different departments, our students are challenged daily to develop their intellect through academics and to make a positive impact for Jesus Christ in our community. Headmaster, Dr. David Gyertson states the thrust of Maranatha's mission is to, "serve as partners with parents to achieve their goal of ensuring that their children get a quality college preparatory education in an intentional Christ-centered context."
