

The NEWMAN School

The New Man School

ABOUT

Students at the Newman school are not only presented with a rigorous curriculum to prepare them for the best Universities, but they can also take advantage of the schools many extracurricular and sporting activities. Students can choose to participate in clubs such as model United Nations, drama and community or sports including, tennis, baseball or basketball.

The school motto is “Cor Ad Cor Loquitur” meaning “let the heart speak to the heart”. in this environment, students are able to form mature and stimulating relationships with teachers, classmates, and the community.

LOCATION

The Newman School is located in Boston, Massachusetts in the historic Back Bay District. The Back Bay District is famous for its well preserved 19th century Victorian brownstones and architecturally significant buildings such as the Boston Public Library.

Boston is a bustling, multi-cultural city rich in American history where Newman students have easy access to the many cultural and educational resources offered in this great city.

CURRICULUM

The Newman School offers a liberal arts education based on strong moral values, intellectual rigor, and trust. The school encourages its students to find the connection between personal and intellectual growth.

The School offers a rigorous academic program including a full complement of AP classes. For 11th and 12th grade students, the International Baccalaureate Program (IB) is also offered.. Students in the program are presented with an extensive two year curriculum followed by examinations and a qualification that is held in high standards by many top Universities worldwide.

In addition to this the Newman School also offers dual enrollment university courses accepted at many of the local colleges and universities.
