

Sedona, Arizona | Founded in 1948

ABOUT

Verde Valley School instills in its students, not only the importance of academic excellence, but also the benefits of hard work, the importance of artistic creation, an understanding for different cultures and the importance of being a good citizen. The school gives its students the education, confidence and skills they need to succeed and become leaders in their community. In addition to their rigorous curriculum, students can participate in sports such as, basketball, equestrian, soccer and tennis. They can also take advantage of the schools extracurricular activities including, horseback riding, rock climbing, archery, fencing and Tai-Chi.

LOCATION

The Verde Valley School is nestled among the expansive mountains of Sedona, Arizona, which provide the setting to many outdoor and hands on learning experiences. Sedona is known as one of the most beautiful tourist destination in the U.S. and one of the six most romantic locales in the world. Its towering Red Rocks are truly unique. The school is at 4,200 ft. elevation which makes for pleasant year round weather and the major city of Phoenix is just 90 minutes away

CURRICULUM

The Verde Valley School offers their 11th and 12th graders the benefits of participating in the elite International Baccalaureate programme and in fact was the first preparatory school to offer the IB program exclusively. This program is a gold standard that is recognized by top universities around the world. The schools curriculum in general is international in its scope, encouraging students to see a global perspective in today's world. Half the student population is made up of international students, and with that the perspective starts right there on campus. With small class sizes, the teachers learn each students strengths, weaknesses, and interests and help them develop About the skills and self confidence they need to succeed.
