

Windermere Preparatory School

ABOUT

The Windermere preparatory school is a proud member of the Meritas Family of Schools. The school is committed in instilled the values of virtue, knowledge and unity into their students. They have a multiethnic and multicultural student body that come together to achieve their common goal of academic success.

Students can take part in the schools athletic programs such as softball, weightlifting and tennis. They can also take advantage of the schools many extracurricular programs including scuba club, dance and music

LOCATION

The Windermere campus is located in Windermere, Florida, in the Orlando area. This area is one of the most popular tourist regions in the world with many famous attractions such as Disneyworld and Universal Studios Florida.

Windermere is close to many beautiful lakes and scenic areas which offer many opportunities for outdoor recreation in the year-round sunny weather.

CURRICULUM

Windermere Preparatory School is part of the Meritas Family of Schools which offers many advantages but one of the most important is that students have the precious opportunity of having their own personalized learning plans. Teachers recognize that each student learns differently and helps them work on their weaknesses and excel in their strengths. School administrators and faculty are highly professional, committed, knowledgeable, and are recognized as a critical part of a strong education.

The school also offers the advanced, rigorous curriculum of the International Baccalaureate Programme., in fact it is first private school in Central Florida to offer the IB program which is recognized by top universities worldwide. Windermere annually sends the majority of its graduates to prestigious colleges and universities around the United States and internationally.
