St Giles is the best school in Vancouver. I love my teachers because they are very friendly and they help me with everything that I need.

Welcome to Vancouver

Our centrally located school is in a popular area of Vancouver’s business district and is within easy walking distance of beautiful Stanley Park, the spectacular city harbour, and the main shopping and entertainment areas. The centre occupies one floor of a modern building. It was refurbished in 2012 and has a professional and spacious feel with the latest learning resources and facilities.

With a population of just over 600,000, Vancouver achieves a balance of offering all the attractions of modern urban living, whilst also being small enough to provide a safe and welcoming atmosphere. The city features parks, mountains and beaches, making it a great choice for people looking to enjoy the great outdoors.

Our friendly and welcoming centre is ideal for students looking for high levels of personal attention and support to help them improve their English. We offer a choice of programmes, including University Preparation and Platinum Courses for professionals or more mature learners.

- Study at our modern school in the heart of Vancouver
- One of the world’s most beautiful and vibrant cities
- A small, friendly and welcoming school with high levels of personal attention
