## INNOVATIVE Teaching & Learning

INTI integrates an array of proven approaches to teaching combined with revolutionary applications of technology in the classroom such as the innovative Canvas Learning Management System.

INTI uses Canvas as our Learning Management System (LMS), providing customizable tools to enhance teaching and learning for students and lecturers. This user-friendly platform supports collaborative digital learning environments, fostering a holistic educational experience.

Canvas's robust features — such as Rubrics, Modules, Calendars, Quizzes, Syllabi, Discussions, Analytics, and SpeedGrader — enable instructors to provide dynamic and personalized learning experiences. The integration of Turnitin with the AI Detector feature helps maintain academic integrity and ensures high-quality educational delivery.

INTI collaborates with industry partners like IBM, AWS, LGMS, SAS and Alibaba GDT to integrate industry content into the curriculum. This enriches course content, enhances learning outcomes, and makes education more engaging and practical.

## INDIVIDUAL Development

INTI endeavours to include practical experiences in every programme it offers. From practical workshops taught by local and international guest lecturers and industry practitioners who share the ins and outs of the working world, to hands-on practical projects initiated by potential employers.

# WORLD-CLASS SUBJECT MATTER EXPERTS

The INTI Pre-University programme is staffed by some of the world’s best lecturers as well as a team of respected Subject Matter Experts (SME). Each SME is an authority in their own field, offering specialised, world-class expertise in an important subject, business area or technical field, allowing INTI students exclusive access to their expert knowledge. INTI’s SMEs also act to ensure that the courses offered at the INTI Pre-University programme continue to be relevant and are on par with the world’s highest standards. The results speak for themselves.

**CAMBRIDGE A-LEVEL**  
Over the years, INTI has produced Cambridge A-Level students who have achieved Outstanding Cambridge Learner Awards. Recipients of the award are recognised as the world’s best-scoring students, with INTI Pre-University students earning Top in the World and Top in Malaysia for Biology, Business, Economics, Law, Mathematics and Physics.

# HEAR WHAT OUR CAMBRIDGE A-LEVEL ALUMNI SAY

“Studying at INTI after graduating from IGSCE has led me to foster many new connections, in addition to helping me achieve my A-Level goals. I was very lucky to have met caring lecturers who guided me along my journey, and even more lucky to have met amazing classmates with whom I cherished every moment. My advice for current students is to never doubt your own abilities – you are who you manifest!”

**ONG ZHI ZHENG**  
Cambridge A-Level  
Massachusetts Institute of Technology (MIT)

“I have been with INTI since 2022, where I met great coursemates who later became friends. My lecturers – Ms. Ng, Mr. Teo, Ms. Teoh, Mr. Tan and Ms. Beatrice – have been very understanding and flexible about my coursework due to my circumstances, allowing me to balance my A-Level studies with other pursuits such as the Olympiad. The Head of the Program, Ms. Tan, and University Placement Office's Pn. Nazlina have been of great help with my university application as well. Ms. Tan and Ms. Ng, in particular, have offered me great support both in and outside the classroom, and they truly deserve our gratitude.”

**WONG JER REN**  
Cambridge A-Level  
Massachusetts Institute of Technology (MIT)

“Studying at INTI was truly transformative. Not only did it provide an excellent academic environment, but it also offered a wealth of extracurricular opportunities. Engaging in these activities allowed me to forge lifelong friendships and thrive both academically and personally. Additionally, the services provided by INTI enhanced my overall learning experience. To aim for an excellent grade at INTI was not a difficult job as the tutors had done a tremendous job in inspiring young minds. Moreover, they were always there to address our queries, ensuring that no doubts went unresolved.”

**KHOR HAOJUN**  
Cambridge A-Level  
Nanyang Technological University

“Studying Cambridge A-Level at INTI will always be a memorable experience. The programme was both interesting and practical for my future course needs. The faculty and staff were always welcoming and supportive, and I gained so much more than I expected. In every situation, my classmates and lecturers were there with encouragement and guidance. I'm forever grateful for my time at INTI, the incredible people I met, and the skills I acquired, which helped me become one of the top achievers in the programme.”

# CAMBRIDGE A-LEVEL (CAL)

Conducted by Cambridge Assessment International Education (Cambridge), this programme provides students with a wealth of options to study a wide range of professional courses at the best universities in the world. It also equips them with reasoning and thinking skills that are necessary for degree courses.

The CAL consists of two levels: the Advanced Subsidiary (AS) Level and the Advanced 2 (A2) Level.

## International recognition

The Cambridge A-Level is one of the most recognised qualifications around the world. For over 50 years, it has been accepted as proof of academic ability for entry into local and foreign universities and institutions of higher learning.

- Good A-Level grades are key to admission into the world's leading universities and institutions of higher learning
- Good A-Level grades can also result in one full year of advanced standing at universities in the United States and Canada

## Assessment

The Cambridge AS and A2 Level examinations are conducted in May / June and October / November. The May / June examination results are released in August, while October / November results are released in January. Students will receive a certificate after completing the AS level examination and the A-Level certificate after completing both the AS level and A2 level examinations.

# FOUNDATION IN ARTS

This programme is specially designed to prepare students for the field of communication. It also has a few subjects that allow students to venture into Business, Psychology and Sociology. There are four major communication subjects to enhance understanding in the field of communication. As these subjects are also substantial in business degree programmes, students have the option to choose electives or pathways in Business or Psychology. Students are also given an insight into the creative and critical sides of writing to prepare them for an ultimate unique career.

### Media and Communication Pathway

This programme is designed to enhance communication skills and media literacy skills required of future media practitioners. Students will be given an insight into the creative and critical side of writing, to prepare them for a career that requires the use of words and images to communicate ideas creatively and effectively via media such as television, radio, newspapers and the Internet.

### Business Management Pathway

This programme will also allow students to study courses relevant to their desired degrees in the areas of management. These courses provide a fundamental understanding of concepts and principles of how an organisation works, organisational structure and behaviour, market structure and consumer behaviour.

### Psychology Pathway

This programme is a pathway to a specialized degree in Psychology. These courses equip students with a fundamental understanding of concepts and theories to address intellectual, emotional, social, and psychological needs of individuals.

### Assessment

Assessment of individual courses in this programme consists of two components:

- Continuous coursework (50%)
- Final examination (50%)

The continuous coursework component comprises different assessment tasks such as projects, assignments, laboratory work, presentations, tests, and others as assigned throughout each semester. The final examination is conducted at the end of each semester. The assessments are subject to quality assurance procedures to maintain high standards and ensure fair assessment.

# FOUNDATION IN SCIENCE

This programme prepares students for admission into Science or Engineering-related degree courses at INTI. It is also an exit certificate course that enables students to apply directly to other universities in Malaysia. It is designed to equip students with solid fundamental knowledge that will enable them to pursue their degree studies in the areas of Biotechnology, Engineering, and Allied Health Sciences.

Students have a choice of Engineering, Biological Science or Pure Science. Those who wish to pursue engineering-based programmes need to take engineering elective subjects and those who wish to pursue biology-based programmes need take the biological science elective subjects. However, students who opt for the pure science pathway can pursue their studies in engineering or any science-based undergraduate programme.

### Assessment

Assessment of individual courses consists of two components:

# FOUNDATION IN BUSINESS

The programme aims to equip students with both academic knowledge as well as industry skills to compete in the international market. The programme introduces students to the world of business with an initial grounding in management skills. Students will obtain solid fundamental understanding of concepts, principles, structures and behaviors of an organization, the competitive business environment, and consumer behaviour. The academic knowledge and practical skills gained will help them springboard into the next level, a Business degree programme.

Students will study courses relevant to their desired degrees in the areas of management and accounting. These courses provide a fundamental understanding of concepts and principles of how an organisation works, organisational structure and behaviour, market structure, and consumer behaviour.

### Assessment

Assessment of individual courses in the Foundation Programme consists of two components:

- Continuous coursework: 50%
- Final examination: 50%

The continuous coursework component comprises different tasks such as projects, assignments, laboratory work, presentations, tests, and others as assigned throughout each semester. The final examination is conducted at the end of each semester. The assessments are subject to quality assurance procedures to maintain high standards and ensure fair assessment.

# FOUNDATION IN INFORMATION TECHNOLOGY

The programme aims to prepare students to progress into various fields of IT and Computer Science Degrees, so that they can thrive in an increasingly competitive employment market. It achieves this through a blend of academic study and skills development. The programme is designed for students who are seeking a career in the field of IT and Computer Science which is aimed to meet the industry demands by producing graduates who are qualified, competent, creative and innovative, and who will eventually be experts in this industry. Graduates of this programme may progress to an undergraduate degree, namely Computer Science, Information Technology, Computing, and Information Systems.

### Assessment

Assessment of individual courses in the Foundation Programme consists of two components:

- Continuous coursework: 50%
- Final examination: 50%

The continuous coursework component comprises different tasks such as projects, assignments, laboratory work, presentations, tests, and others as assigned throughout each semester. The final examination is conducted at the end of each semester. The assessments are subject to quality assurance procedures to maintain high standards and ensure fair assessment.

# HEAR WHAT OUR FOUNDATION ALUMNI SAY

“As a current student in the Bachelor of Business Finance programme at INTI, my educational journey started with the Foundation in Business, and it has been truly enlightening and life changing. Participating in a variety of enjoyable activities, societies, and workshops during my Foundation year has given me priceless experience and created cherished memories. I am deeply thankful to INTI for giving me this chance to embark on such an incredible and transformative journey. The knowledge and experiences I've gained here will undoubtedly steer me towards a successful and fulfilling future.”

**MOVINRAJ RAMAN**  
Foundation in Business

“Studying Foundation in Arts has truly been an eye-opening and life-changing journey for me. The exceptional lecturers and helpful classmates created a conducive learning atmosphere that made my academic experience not only achievable but also enjoyable. With their support and motivation, I discovered my interest in Mass Communication, which drove me to pursue a Bachelor's Degree in Mass Communication at INTI. The knowledge and skills I gained during my Foundation in Arts studies have undeniably shaped my trajectory and provided me with a clearer path in my academic pursuits.”

**AUDREY LUM MUN HUIEN**  
Foundation in Arts

“As a proud alumnus of this course, I can personally attest to the outstanding lecturers, comprehensive curriculum, motivating learning atmosphere, helpful classmates, and dedicated programme head. The combination of these exceptional qualities made my time at INTI both enjoyable and meaningful. However, it's important to recognise that this programme came with its set of challenges. As one of the few students who achieved a perfect 4.0 GPA, I can confirm that this programme pushes you to surpass your limits and attain high levels of academic excellence. Choosing the Foundation in Science programme at INTI is a decision that will propel you to the next level of your educational journey.”

**LOW JIAN HE**  
Foundation in Science

“Completing my Foundation at INTI was never a regret in my education pathway. While it may seem obvious, this program truly laid the groundwork for what I want my university life to be like—having fun while making an impact on the community and excelling in my studies. I can honestly say that I had the most fun studying alongside my peers, supported by incredibly friendly lecturers. This is why I believe that completing my Foundation at INTI will always be one of the best decisions I've made in my educational journey.”
